**Delicious** Nicky Pellegrino, 2011-04-28 Love, food and Italy - a delicious novel from the author of THE FOOD OF LOVE COOKERY SCHOOL. Italy, 1964. Maria Domenica is the eldest daughter in the Carrozza family from the tiny southern village of San Giulio. At 16, Maria's life is limited to the confines of her mother's rural kitchen (where she bakes bread every morning, the way the Carrozza women always have), and the Caffè Angeli, a place of friendship, strong espresso and famous ricotta sfogliatelle. Her parents have high hopes for their beautiful first-born, but she has other plans. Maria runs away to Rome but, a year later, she returns to San Giulio in disgrace - eight months pregnant with the identity of the father a mystery. Hastily, shamefully, she is married off to a neighbour's son. But she soon escapes again, this time to England, where she searches once more for a new life for herself and her daughter, Chiara. Many years later, it is Chiara, not Maria, who finds herself drawn back to San Giulio. But she soon discovers that the simple Italian life she seeks is not as simple as it seems - particularly where the past is concerned. Readers are loving Nicky Pellegrino! 'I could smell the fresh pasta, feel the sunshine, smell the sea breeze and feel my worries wash away. It was lovely to stumble down the cobbled paths and stroll along the beautiful scenery' 'Through Italy, through food, through heartbreak, through love, through family. Add in a pinch of karmic justice and you have the perfect read with a joyful ending!' 'Once again Nicky Pellegrino had me captivated with this amazing story. It made me laugh, made me cry. I read it in one afternoon' 'I will say that if you are a woman on the cusp of discovering who you are and what your heart desires...then you will devour this book as I did' 'Such a great escapism read, full of emotions and family drama with love'

**Running the Table** L. Jon Wertheim, 2008-10-03 For fans of Bringing Down the House and Positively Fifth—a Sports Illustrated writer shares the story of a heavyset, bipolar, and charming pool hustler. In most sports the pinnacle is Wheaties-box notoriety. But in the world of pool, notoriety is the last thing a hustler desires. Such is the dilemma that faces one Danny Basavich, an affable, generously proportioned Jewish kid from Jersey, who flounders through high school until he discovers the one thing he excels at—the felt—and hits the road. Running the Table spins the outrageous tale of Kid Delicious and his studly—if less talented—set-up man, Bristol Bob. Never was there a more entertaining or mismatched pair of sidekicks, as together they go underground into the flavorfully seamy world of pool to learn the art of the hustle and experience the highs and lows of life on the road. Their four-year odyssey takes them from Podunk pool halls to slick urban billiard rooms across

America, as they manage one night to take down as much as \$30,000, only to lose so much the next night that they lack gas money to get home. With every stop, the action gets hotter, the calls get closer, and Delicious's prowess with a cue stick becomes known more and more widely. Ultimately, Delicious sheds his cover once and for all and becomes professional pool's biggest sensation since Minnesota Fats. "A tremendously satisfying road story. What makes *Running the Table* so special is not the pool prowess of its protagonist but the unlikely bond between two wildly different young men who find each other through an exhilarating, often infuriating game."—Los Angeles Times

Delicious Monsters Liselle Sambury, 2023-09-26 "A haunted house thriller packed with cryptic mystery, dark humor, and bone-chilling twists." —Ryan Douglass, New York Times bestselling author of *The Taking of Jake Livingston* *The Haunting of Hill House* meets *Sadie* in this "genuinely terrifying" (School Library Journal, starred review) psychological thriller following two teen girls navigating the treacherous past of a mysterious mansion ten years apart. Daisy sees dead people—something impossible to forget in bustling, ghost-packed Toronto. She usually manages to deal with her unwanted ability, but she's completely unprepared to be dumped by her boyfriend. So when her mother inherits a secluded mansion in northern Ontario where she spent her childhood summers, Daisy jumps at the chance to escape. But the house is nothing like Daisy expects, and she begins to realize that her experience with the supernatural might be no match for her mother's secrets, nor what lurks within these walls... A decade later, Brittney is desperate to get out from under the thumb of her abusive mother, a bestselling author who claims her stay at "Miracle Mansion" allowed her to see the error of her ways. But Brittney knows that's nothing but a sham. She decides the new season of her popular Haunted web series will uncover what happened to a young Black girl in the mansion ten years prior and finally expose her mother's lies. But as she gets more wrapped up in the investigation, she'll have to decide: if she can only bring one story to light, which one matters most—Daisy's or her own? As Brittney investigates the mansion in the present, Daisy's story runs parallel in the past, both timelines propelling the girls to face the most dangerous monsters of all: those that hide in plain sight.

As if getting married wasn't enough to complete his nice-guy persona, Dexter is now the proud father of a baby girl. And disconcertingly, he actually seems to care. But even if fatherhood is distracting Dexter from his midnight excursions to rid Miami of a few more lowlifes, there's no let-up at work. Two young girls are missing - and it's not long before one of the bodies turns up, partially eaten. But as Dexter and Miami PD's finest investigate, Dexter can't shake the feeling that somebody's watching him...

And Brandon's making her crazy in all the right ways. When their tequila-fueled make-out session hits the tabloids, Brandon is furious. At least until he realizes his relationship with Daisy is his chance to get his ill mother to Los Angeles for treatment. All he has to do is convince Daisy to be his pretend fiancée for two weeks... Despite perishing during her voyage, she's been allowed a second chance to build her dream. The powerful fairy Lachlann Grant contends that she's the fated partner he's been waiting a thousand years for. Though he insists that their pairing is meant to right wrongs and balance them both, she's wary.
